CHRISTIAN
SCHOOL** EST. 1994

Southside Christian School has been serving families with preschool through 8th grade students on the South Hill for the past 27 years and we are excited to launch our annual corporate partnership.

**Do you own a business? Have a friend or family member who owns a business?
Know of a business that would like to partner with us?**

We would like to invite these businesses to increase their visibility and exemplify community partnership to our students by becoming one of our limited sponsors. See the back side for privileges for each level. Levels start at just \$100!
