

School Supplies for **7th/8th Grade Spanish**

- **2-inch 3-Ring PLASTIC Binder with clear plastic cover.**

O This binder will be separate from your other classes. Since you do not have a book for Spanish, you are creating your "book" throughout the year.

O It must have a plastic cover so we can slip your name label underneath it for the year. No zipper binders please.

- **8-tab dividers that can be labeled.**

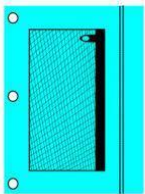

o Please use the labels the pack comes with. Do not write directly on the plastic. Write on the labels & slip them in the divider tab and secure with tape on each end so the labels don't fall out.

o Please label your tabs in the following order (Reciente being the 1st tab on the top) so you have your binder ready for binder checks).

- Reciente
- Vocabulario
- Cuentos
- Gramática
- Práctica
- Documentos
- Cultura/Canciones
- Primer Año (1st Year)

- **3 Ring Zipper Pencil Pouch JUST for your Spanish binder**

o This must be able to attach inside the binder & will be separate from your other classes. Please put these writing utensils inside the zipper pencil pouch.

- **2 red correcting pens.**
- **2 black or blue inked pens**
- **2 pencils (mechanical or standard).**
- **2 highlighters**
- **1 pair of EarBuds with the correct plugin for Chromebook Computers (no airpods).**
